

PRODUCT SPECIFICATION SHEET

Product Name: Amberjack™ Weld-Free 24-Port Cat6 Patch Panel

Standard Specifications:

ISO/IEC 11801:2008

ANSI/TIA 568-C.2

YD/T926.3-2009

Electrical Specifications:

Voltage - 1000V. 60S

DC Current Rating - 1.5Amp

Corrosion resistant - 20MO

Frame Specifications:

Plating 120u" tin, over 60u" nickel undercoat, besides plating 50U" gold over the plated surface on contact areas

IDC contact: phosphor bronze C5191R-H, T=0.4MM

Plating 200U" matte tin over 100U" soft nickel undercoat
