

Driving Safety While Reducing Liability in Every Parking Facility!

Checkers Safety™ is your go-to source for premium parking safety products, delivering trusted and long-lasting solutions.

Make every parking lot safer, more efficient, and easier to navigate with Checkers Safety™ products.

Our comprehensive lineup—including **parking stops, speed bumps, corner and wall guards, bollard posts and covers, guidepost delineators, clearance bars, and ramps**—works together to slow vehicles, guide traffic, protect structures, and clearly mark hazards and travel paths. Built from durable recycled rubber and high-visibility materials, these solutions withstand harsh weather, heavy loads, and constant use.

Checkers is Your Best Source:

Happy clients & corporate office!

- Primarily made in the USA – unparalleled quality!
- Highest quality sustainable products built to last
- Streamlined supply chain process – reliable delivery
- Enhance the garage appearance with your or your client's branding and colors!

Happy bottom line and very best value!

- Quality guaranteed on every item, backed with warranty
- Competitive volume-based prices with corporate rebates
