

NEW CAT6

Ultra-Slim High Speed Patch Cords

NEW
Ultra-Slim
CABLE

Product Features

Cat6 UTP patch cord rated for high-speed 1 Gbps communications

Ultra slim 28AWG design slimmer than standard Cat6 cables to increase airflow in racks and reduce clutter

Easy to route around corners and through crowded cable management panels

Snagless RJ45 connectors prevent tabs from being damaged during installation; 50µ" gold plated contacts

100% Tested and Certified for EIA/TIA T568 A/B Standards, ETL Tested and Verified, UL Listed
