

PRODUCT SPECIFICATION SHEET

Product Name: Signamax™ High-Density Field-Configurable Unloaded Patch Panels

Specifications	
Construction:	Panel: Steel/High-Impact Black Epoxy-Powder Anticorrosive Paint
	Cable Management Bar: Steel/Plastic
Mounting Dimensions:	19" Wide Rack Mountable
	1.5" Deep (w/o cable management bar)
	6.0" Deep (with cable management bar installed)
	1.75" High (1 RMU)
Port Dimensions:	16.9mm Wide (0.67")
	19.3mm High (0.76")
Environmental Conditions:	Storage: -40°C – +70°C (-40°F – +158°F)
	Operation: -10°C – +60°C (+14°F – +140°F)
	RH (operation): max non-condensing 93%
Number of Ports:	48
