

2-PIECE ROLL FORM RACEWAY

The Wire Trak® 2-Piece Roll Form Raceway can dispense up to 50 ft. of rigid, ready-to-install raceway from one compact box. Ideal for long, seamless runs or many short runs, reducing overall waste. Our 2-Piece Roll Form Raceway dispenses into the same rigid raceway as our 2-Piece Raceway lengths; both feature a separate base and cover design that allows for easy installation of raceway and wires before snapping on the cover. Ideal for complex multi-destination runs.

- Pre-applied adhesive foam tape
- Tool-free peel-and-stick installation
- Complete line of compatible fittings
- High-impact UL 94 V-0 compliant material
