Fasten TEB23 to the TEBS1624 with 2 CADDY® part number SMS8 or equivalent screws.

WARNING:
1. ERICO products shall be installed and used only as indicated in ERICO product instruction sheets and training materials. Instruction sheets are available at www.erico.com and from your ERICO customer service representative.
2. ERICO products must never be used for a purpose other than the purpose for which they were designed or in a manner that exceeds specified load ratings.
3. All instructions must be completely followed to ensure proper and safe installation and performance.
4. Improper installation, misuse, misapplication or other failure to completely follow ERICO’s instructions and warnings may cause product malfunction, property damage, serious bodily injury and death.
5. Products that are manufactured using spring steel components shall be used only in a non-corrosive indoor environment.
6. All pipe supports, hangers, intermediate components and structural attachments must ONLY be used as described herein and are NEVER to be used for any other purpose.

NOTE: All load ratings are for static conditions and do not account for dynamic loading such as wind, water or seismic loads. All pipes supports, hangers, intermediate components, and structural attachments mustonly be used as described herein and are NEVER to be used for any other purpose.

SAFETY INSTRUCTIONS:
1. Conformance to all governing codes.
2. The integrity of structures to which the products are attached, including their capability of safely accepting the loads imposed, as evaluated by a qualified engineer.
3. Using appropriate industry standard hardware as noted above.

APPLICATION
4 inch square box
4-11/16 inch box
Canadian mounting
Mud ring: Low voltage
Bend tabs for use with 2-1/2 inch stud

Bend box lock tabs to retain boxes with out using plaster ring/ screws if desired.
Select height insert screw in keyhole

Flip bar over hang from keyhole on screw
This application for low voltage class 2 installation only. Do not attach box to out board plastic ring. Attach plaster ring with 2 CADDY® part number SMS8 or equivalent screws.

8 9 10

Mounts 4 inch or 4-11/16 inch electrical boxes or plaster rings for low voltage applications.

Fits 2-1/2 inch and 3-5/8 inch deep studs.

Designed with two far-side supports for added stability.

Feet on the far-side supports help prevent damage to the drywall.

17 18

Easily identify mounting location of electrical boxes. Round keyholes for 4-11/16 inch boxes and octagonal keyholes for 4 inch boxes.

Has mounting tabs on all four sides.

9 10

Box locking tabs securely lock electrical boxes in place to prevent disassembly during handling.

11 12

 Patent pending design.

Use CADDY® part number SMS8 or equivalent.

FOR 4" SQUARE BOXES  FOR 4-11/16" SQUARE BOXES
