

## LINIER SERIES

# Swing Out Wall Mount Racks

The LINIER Line of swing out wallmount cabinets are perfect for people who need access to the back of their Rackmount equipment on a regular basis. This unique mounting system makes installation a breeze. Not only will this cabinet swing out 90 degrees from the wall but it offers removable and lockable side panels allowing you to cable this cabinet in no time. This cabinet comes with 2 sets of adjustable rails, 4 keys. This cabinet offers 4 cables slots, 2 in the top and 2 in the bottom making CAT5 and Fiber installations a breeze.
