

## The Milwaukee Tool Warranty

Every MILWAUKEE product is warranted to the original purchaser only to be free from defects in material and workmanship. Subject to certain exceptions, MILWAUKEE will repair or replace any part on a product which, after examination, is determined by MILWAUKEE to be defective in material or workmanship for a period of five (5) years\* after the date of purchase. Return the product and a copy of proof of purchase to a MILWAUKEE factory Service Center location or MILWAUKEE Authorized Service Station, freight prepaid and insured. This warranty does not apply to damage that MILWAUKEE determines to be from repairs made or attempted by anyone other than MILWAUKEE authorized personnel, misuse, alterations, abuse, normal wear and tear, lack of maintenance, or accidents.

\*Every MILWAUKEE V™-technology LITHIUM-ION Battery Pack and XC LITHIUM-ION Battery Pack is warranted for five (5) years / 2000 charges from the date of purchase, whichever first occurs. The first 1000 charges or 2 years of the warranty, whichever first occurs, are covered through free replacement of the defective battery. This means that for the earlier of the first 1000 charges or two (2) years from the date of purchase/first charge, a replacement battery will be provided to the customer for any defective battery free of charge. Thereafter, the remaining charges up to a total of 2000 or the remainder of the five (5) year period from the date of purchase, whichever first occurs, will be covered on a pro rata basis. This means that every customer gets an additional 1000 charges or three (3) years of pro rata warranty on the V™-technology LITHIUM-ION Battery Pack and XC LITHIUM-ION Battery Pack depending upon the amount of use.

\*The warranty period for ALL non V™-technology and non XC LITHIUM-ION battery packs is two (2) years from the date of purchase.

\*The warranty period for Portable Generators is two (2) years from the date of purchase.

\*The warranty period for all Ni-CD Battery Packs, Work Lights (cordless flashlights), Job Site Radios, Trade Titan™ Industrial Work Carts and Hoists (lever, hand chain, & electric chain hoists) is one (1) year from the date of purchase.

Warranty Registration is not necessary to obtain the applicable warranty on a MILWAUKEE product. The manufacturing date of the product will be used to determine the warranty period if no proof of purchase is provided at the time warranty service is requested.

Normal Wear: air nailers – staplers, like all power tools, these products need periodic parts replacement and service to achieve best performance. This warranty does not

cover repair when normal use has exhausted the life of a part including, but not limited to, o-rings, seals, bumpers and driver blades.

MILWAUKEE does not cover freight or labor charges associated with the inspection and testing of portable generators or hoists (lever, hand chain & electric chain hoists) that are found by MILWAUKEE not to be a valid warranty claim. A valid warranty claim must be substantiated by the discovery of defective material or workmanship by MILWAUKEE.

\*Gasoline Engine - Warranty: The gasoline engine on a portable generator is separately warranted by the engine manufacturer and is serviced through the engine manufacturer's authorized service center network. MILWAUKEE is not authorized and has no responsibility for warranty service of any nature whatsoever for a gasoline engine. If requested, MILWAUKEE will help you locate your nearest service facility for a gasoline engine.
